## Pam Stenzel, MA

Pam Stenzel grew weary of hearing the phrase, NOBODY TOLD ME!! As Director of Alpha Women's Center and after years of counseling young girls who found themselves in unplanned pregnancies, Pam began to realize that so many were completely unaware of the risks involved with sexual activity, and that many had never been told about all the consequences of their choices. That was the inception of Pam's life as a speaker. Desiring to bring about that change, Pam started speaking nationally full-time.

In 1993, Pam's talk "Sex Has a Price Tag" was produced as a video. No one was prepared for the explosive response. Pam's speaking requests were so numerous that she decided to go on the speaking circuit full time. "Sex Has a Price Tag" has since been translated into 11 languages, won the Charleston Film Festival Award in 1995, and is currently used in the United States, Canada, Mexico, Central and South America, Australia, Ireland, Europe, the Ukraine, Romania, Poland, and throughout Africa.

Pam now

travels both domestically and internationally, speaking to over 500,000 teens a year. Surprisingly, many of her requests to speak come from teens themselves. She has been a guest on numerous national TV and Radio programs, including appearances on Fox News Network's "Hannity & Colmes Show," ABC

Radio's "Sean Hannity Show," "The Dr. Laura Show," CBN's "The 700 Club," and ABC Television's "Politically Incorrect with Bill Maher."

She is also the Founder of Enlighten Communications, Inc., an organization focused and committed to the betterment of children and families in America and around the world. Enlighten offers a broad new model approach for those desiring to embrace strong character in today's youth. Enlighten empowers parents, youth leaders and educators to lead informed discussions on sexual abstinence and the benefits it produces.

Pam Stenzel is a dynamic, charismatic, and educated expert on sex, love and relationships. She understands the perils that young people face as they make adult choices, and is dedicated to reviving the character and integrity of today's youth.
